Kinn Kleanbowl can save you 20-40%+ in labor/material costs.

Costs for Kleanbowls & Nourish-Pet Refills for Pet Professionals/Veterinarians to use at their facilities are based on unpackaged bulk product purchases.

*Based on 15% of pets causing paper food tray spills and 15 minutes to clean each spill.

**Based on cleaning a frame once when a pet checks out and wiping the frame 2x during a pet's stay, although this may not be needed.

†Excludes paid benefits.

3 Ways Kinn Kleanbowl Saves Your Business Money:

1. Cats and dogs are not exposed to germs and stay healthier
2. Labor savings; staff are spending less time washing bowls and cleaning up spills
3. Recycling is better than washing (reduces electricity by 32%, water by 21% and green house gases by 43%)
