TIME IS MONEY!

Healthier Hydration for Pet Care Services

Pets SMELL that Kleanbowl is free of germs and cleaning chemicals, and drink more water for healthier hydration.

Pets need more water than humans to be healthy.

Pets are 80% water vs. 60% for humans. Your pet needs an ounce of water per pound of weight every day.

Hydration enhances your pet's energy, strength, immune system, and mood.

- Recycling sugar cane fiber Refills eliminates 100% of germs
- Dishwashers do not get hot enough to kill all germs¹
